

7 November 2016

Mr Tony Fry
Robertson Construction Group
Robertson House
Castle Business Park
Stirling
FK9 4TZ

Dear Tony

Thank you for forwarding your application documents for the Robertson Construction Group Approved Development Scheme. I am delighted to tell you that the application was successful.

The approval will remain valid until 30 November 2019 after which an application for re-approval must be made. The approval is made with the proviso that there is regular contact between the ICES and Robertson Construction Group, and that the scheme is operating as agreed or that any changes made have been discussed.

I enclose three copies of the approval certificate for display at your premises (further copies are available on request).

There is no charge for this approval or the status of having an ICES Approved Development Scheme, **but it is a condition of the Scheme that the trainees become Affiliate or Graduate Members as soon as the scheme is agreed.** This ensures that they can access their member benefits quickly (particularly the CES journal, monthly e-newsletter and regional CPD events) which will support their upgrade to Technical Member or Member when they are eligible to do so.

If you have any queries about the application process for your staff, please contact Katie Holt at development@cices.org.

Yours sincerely

Bill Pryke
Chief Executive Officer
